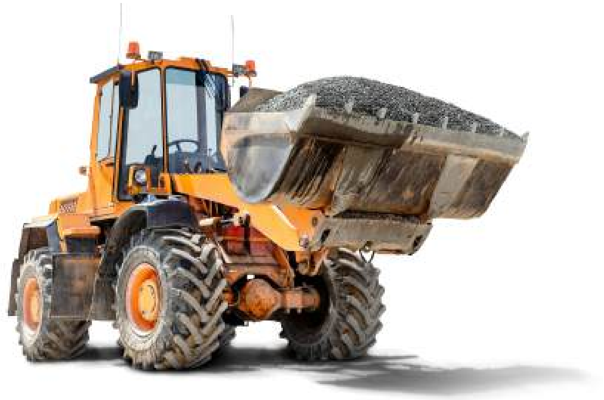
PAC LEASE
An OCBC Company

Own the construction equipment you need

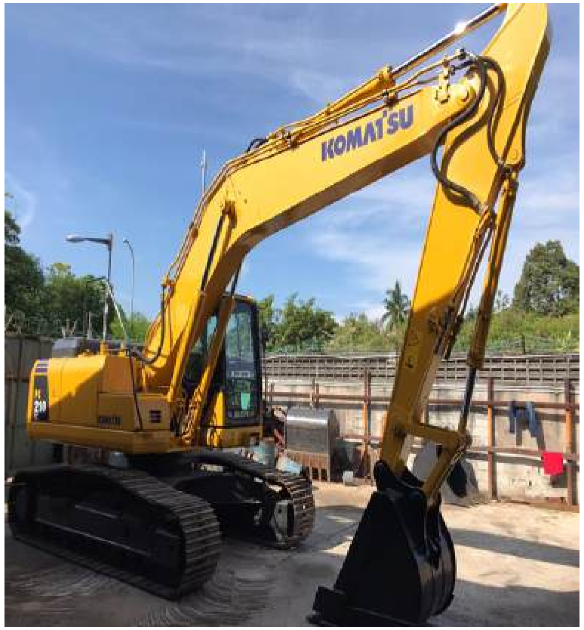


with
100% financing
for tenures of up to 5 years

Types of construction equipment we finance

We finance virtually all construction equipment, including excavators, bulldozers, backhoe loaders, wheel loaders, cranes, skid steer loaders, and concrete mixers.

Don't let upfront costs slow you down. Get the machinery you need today and pay for them over time.



Pac Lease Berhad
Pac Lease Berhad (Pac Lease) is Malaysia's leading capital equipment financing (CEF) specialist and CEF global centre of excellence for the Singapore-based OCBC Group. It offers hire purchase facilities for capital equipment and machinery; loans for project development, asset acquisition and working capital; trade financing; and insurance solutions. Among the industries it actively serves are manufacturing, construction, healthcare, agriculture, commercial refrigeration and solar energy. Established in 1996 and headquartered in Kuala Lumpur, it has 15 branches nationwide. For details, please visit www.paclease.com.my

How our construction equipment financing works

Approval within 7 working days
Furnish us with the relevant documents and you can expect financing within 7 working days.

Minimal documentation
All you need to share with us are the following:
- Certified true copy (CTC) of company statutory documents
- Latest 6 months bank statements
- Latest 2 years audited reports
- Latest 3 months TNB bills
- Other documents as and when required for evaluation

Financing package
- Tenure: Up to 7 years
- Margin of financing: Up to 100% of the cost of the equipment
- Insurance Premium Financing is bundled together with the loan financing amount throughout the loan tenure

How RM9 million was secured in a week to scale operations

The challenge
- A construction and infrastructure services provider found itself blessed with rising project demand. But it had limited fleet capacity.
- The cost of trucks and excavators was high, constraining expansion.

The solution
- They partnered with Pac Lease for financing.
- The flexible terms would serve their cash flow needs well.

The result
- They managed to secure RM9 million in financing within a week.
- The fleet rapidly expanded.
- Operations became seamless across multiple sites.
- Service delivery in transportation and landfilling was enhanced.

The impact
- Operations scaled quickly and efficiently.
- The company now had a trusted strategic growth partner.

The testimonial
"The responsive and supportive team from Pac Lease made scaling effortless. They were not just a financing provider; they turned out to be a strategic partner for the future."

— Director of the company
