How Dr Kenneth got equipment financing in a day to fulfil his aesthetics clinic dreams

The challenge
- Dr Kenneth runs a dependable, premium aesthetics clinic in Taman Eco Botanic, a fast-growing township with high occupancy of residential and commercial properties.
- He needed immediate financing for a Fotona laser system costing up to RM450,000.

The solution
- He met with a marketing officer from Pac Lease, who shared about Pac Lease's financing plan involving minimal documentation.
- Dr Kenneth applied for it.

The result
- Financing was approved within a day!
- Dr Kenneth was able to proceed quickly and confidently with his clinic plans.

The impact
- The clinic continues to grow strongly, supported by the fast and flexible medical equipment financing.

The testimonial
"As a doctor, time matters. The Pac Lease team was responsive and efficient, and they made the entire application process effortless. The fast approval helped me move ahead confidently. This is the difference between a mere financier and a partner that sticks with you for the long haul."

— Dr Kenneth
