## INFO

# RM8 Million COVID-19 Test Fund

 Persatuan Insurans Hayat Malaysia  
Life Insurance Association of Malaysia

 PIAM®

 Malaysian Takaful Association

- The Life Insurance Association of Malaysia (LIAM), Persatuan Insurans Am Malaysia (PIAM) and the Malaysian Takaful Association (MTA) have established the **COVID-19 Test Fund (CTF)** to support the Ministry of Health's (MoH) efforts to conduct more COVID-19 testing for the benefit of **medical insurance policyholders and takaful certificate holders**.
- **RM8 million** has been pledged by the insurance and takaful industry to this fund.
- Medical insurance policyholders and takaful certificate holders may apply for reimbursement up to a **maximum of RM300** for COVID-19 testing (one reimbursement per individual) to maximize the number of tests that can be supported by the CTF.

# INFO

## Daily new confirmed COVID-19 cases per million people

Shown is the rolling 7-day average. The number of confirmed cases is lower than the number of actual cases; the main reason for that is limited testing.

## LANGKAH PENCEGAHAN COVID-19 DI TEMPAT KERJA

- Polisi tidak bersalaman
- Promosi etika batuk dan bersin yang betul
- Sediakan *hand sanitizer* di pintu masuk
- Sentiasa beri peringatan penggunaan *hand sanitizer*
- Tangguh mesyuarat dan acara berskala besar
- Pekerja yang sakit mesti berada di rumah
- Sentiasa disinfeksi permukaan yang kerap disentuh
- Memakai pelitup muka dengan betul

- Tingkatkan aliran udara dengan membuka tingkap
- Bekerja dari rumah atau lakukan giliran bekerja secara berjadual
- Pastikan jarak sekurang-kurangnya satu meter semasa makan
- Elakkan berkongsi makanan di tempat kerja
- Nilai risiko perjalanan pekerja yang berurusan di luar pejabat
- Tingkatkan saringan kesihatan dan kebersihan pengendali makanan dan kontak mereka

KUALA LUMPUR, 1 Mei – Ketua Pengarah Kesihatan Tan Sri Dr Noor Hisham Abdullah menyifatkan keadaan penularan COVID-19 di negara ini kembali meruncing dan memerlukan setiap individu untuk terus patuh kepada prosedur operasi standard (SOP).

Menerusi hantaran di laman Twiternya beliau berkata orang ramai perlu kembali kepada amalan 3C iaitu jauhi kawasan yang sesak (crowded place), elakkan kawasan yang sempit (confined space) dan elak sembang dengan jarak yang dekat (close conversation).

"Manakala amalan 3W - kerap mencuci tangan dengan air dan sabun (wash), memakai pelitup muka di tempat awam (wear) dan peringatan KKM (warn) seperti elak bersalaman dan rawatan segera jika bergejala," katanya.
