Test (uji)

Get tested with a **self-test kit** as soon as possible if you are experiencing any infection symptoms such as runny nose, fever or cough

Report (Lapor)

Report the test result (negative, positive or invalid) on your MySejahtera immediately

Isolate (Asing)

Isolate yourself or **self-quarantine** immediately with discipline if you have been tested positive for COVID-19. Adhere to the HSO¹ imposed by MOH²

Inform (Maklum)

Inform your close contacts and immediate family members urgently if your test result is positive. Inform the health authorities or any CAC³ nearby if your condition has worsened while self-quarantining at home

Seek (Dapatkan rawatan)

Seek immediate treatment at any healthcare facility or a CAC³ nearby if you are experiencing worsening symptoms such as breathing difficulties or high fever

Note: ¹HSO : Home Surveillance Order
²KKM : Ministry of Health Malaysia (Kementerian Kesihatan Malaysia)
³CAC : COVID-19 Assessment Centre (Pusat Penilaian COVID-19)
